PERSONAL MESSAGE

News Bit

Pray for us!

Timing is such an important element of all we do. Most critical is God's timing. "To every thing there is a season, and a time to every purpose under the heaven." Read Ecclesiastes 3:1-8. We are to redeem the time because the days are evil - Ephesians 5:16. I do believe the Lord has given The Voice in the Wilderness for such a time as this. Few ministries and pastors are clearly dealing with the volatile and sensitive issues of this time. Many are afraid to take the Word of God and preach thus saith the Lord about politics, homosexuality, divorce, alcohol, drugs, music, dress, abortion, immorality, suicide, cremation, work ethic, entitlements, tyrannical government and on the list goes.

The Voice in the Wilderness continues to Contend for Fundamental Christianity and American Freedom. Standing on TOP (The Old Paths) Jeremiah 6:16, is our theme for 2014.

We will again sound a clear, clarion call for preachers and churches to return to The Old Paths. This is not a dead, dry, outdated religion, but Holy Spirit, anointed, Heaven sent, God-honoring, Biblically true preaching and practice that issues straight from the Saviour's heart. Go with us as together we STAND ON TOP for God's Glory. Will you please take an honest inventory and see where you stand? May God help us to do all for His Glory and Praise! Indeed, it is high time!

Happy Trails!
For Christ & souls,

Ronnie Williamson

America's Obamanation of Desolation

The US 17 trillion dollar debt is just the beginning of the irrecoverable disaster facing the United States. The Federal Government is morally as well as financially bankrupt. To continually campaign on failed promises of more and greater entitlements is national suicide. Thomas Jefferson understood the inevitable ruin with a run away government. "Government big enough to supply everything you need is big enough to take everything you have...

The course of history shows that as a government grows, liberty decreases." Edmund Burke said "The only thing necessary for evil to triumph is for good men to do nothing." Abominations are being perpetrated on America. ObamaCare may be the death nail. Washington D.C. has proven to be the enemy of the founding integrity, values and very Constitution that made this nation great.

More Obamanation of Desolation
The Federal Government continues

to grow even though the unemployment rate sees little improvement. The public-sector employment has grown by about 3,500,000 during the Obama administration with almost one-fifth of all U.S. workers employed directly or indirectly by the government. As the Fed spend - spin - spend, it takes almost 2,000 employees at the Bureau of Public Debt to juggle things with nineteen Accountants daily just to calculate all this national debt info.
