

# What is the Constitution?

People in Colonial times used pomanders to make their houses smell good. Pomanders give off a pleasant citrus and spice smell. This helped to cover unpleasant household smells in Colonial homes.

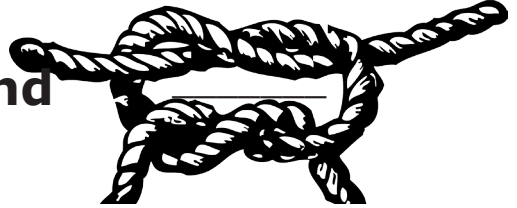

**Supplies:** orange or lemon, whole cloves, nail

### Instructions:

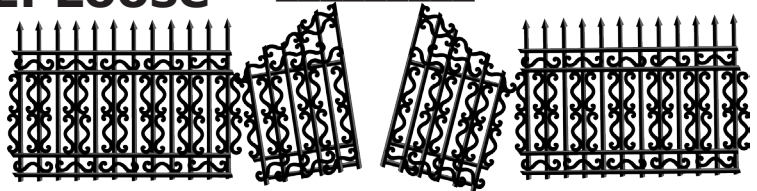

1. Use a nail to poke small 1/4" holes in the skin of the fruit; then push a whole clove into each nail hole. Choose to make a design or word with the cloves, or cover the entire piece of fruit.
2. The fruit should dry out as it adds fragrance to a room.

**The purpose of the Constitution is to:**

## 1. Bind

## 2. Loose

## Bring the Goods

The ship has arrived at port and the supplies have been unloaded. It is your job to load your cart with all the needed items and drive them back to your home in Philadelphia. Don't make a wrong turn. Your family is waiting for you!
