MINISTRY UPDATE

A PERSONAL MESSAGE

Thank you for your prayers and generous support of the Venezuela project. Steve Lilly and myself had a fruitful and safe trip. We were able to **purchase the vehicle** for Pastor Niller and the work in San Felipe. Many souls were saved during the evangelistic conference. It was a blessing to **preach two anniversary services** for churches in Venezuela. While there we visited the site preparation for a **new church plant**. Pray that the Lord will provide the need of two new church planters. Preliminary work and a nucleus of people have already been established for these two new churches. Of course, any finances that we can raise to help these two projects will be a great blessing. Both of these church planters work as **motorbike taxi drivers**. Presently, their motor-scooters are owned by the company they work for. These preachers can only use the scooters for work related transportation. It would take about \$2,000 to purchase two scooters for these men. If each preacher could own a personal scooter, then each preacher would be able to operate as a taxi driver supporting themselves and their families plus be at liberty to use the scooter personally for the ministry. Pray with us that we can be a part of meeting this need.

Some months ago we mentioned the opportunity to purchase a **bus for the work in Sabana de Parra, Ven-**

euela. To my disappointment, there was no response at all. Again, this would open the door to reach far more people than would be possible due to the lack of transportation available to the vast majority of the congregation. In a church averaging several hundred, there are probably no more than two individuals who own an automobile. It's not rocket science to see what a blessing a bus would be. I have been to Sabana de Parra personally, I know Pastor Estelvio and this congregation, and without a doubt these worthy people would multiply the use of a bus into a harvest of souls. Please earnestly pray with us about this opportunity.

We stepped out by faith and purchased about \$500 worth of Bibles to take to the pastors in the Philippines. These are nice preaching Bibles that will be a blessing to men not only in the Philippines but also in Indonesia. I am looking forward to preaching a conference later this year in the Philippines. Hold us up before the Lord in preparation for this great meeting.
